

terrible thing that happened to farm auctions. But I want to tell those senators that LB 1017 is not the right platform, it is not the right platform. This is a very small refinement bill offered by thoughtful senators, Morehead and Miller. The right platform is LB 1027 which will be coming down the track in a little bit. And as Senator Rod Johnson has indicated, he has an amendment to deal with the very question that a number of folk wish to tal about. But he won't offer that amendment until Select File because he also doesn't want to derail LB 1027. So my suggestion is we simply advance 1017, because it is a little, tiny clean-up bill, we advance 1027 when we get to it, we have our big debate and discussion on farm auctions on Select File on 1027.

SPEAKER NICHOL: Senator Morehead, then Senator Hoagland.

SENATOR MOREHEAD: I simply move for the advancement of this bill.
